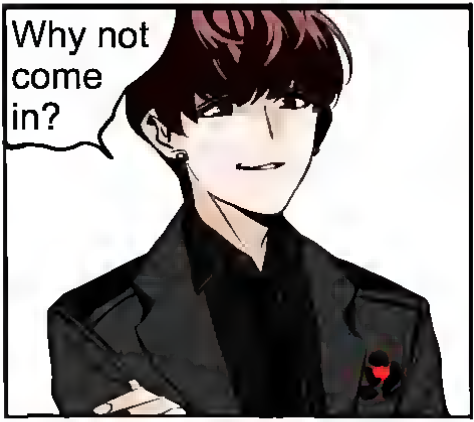
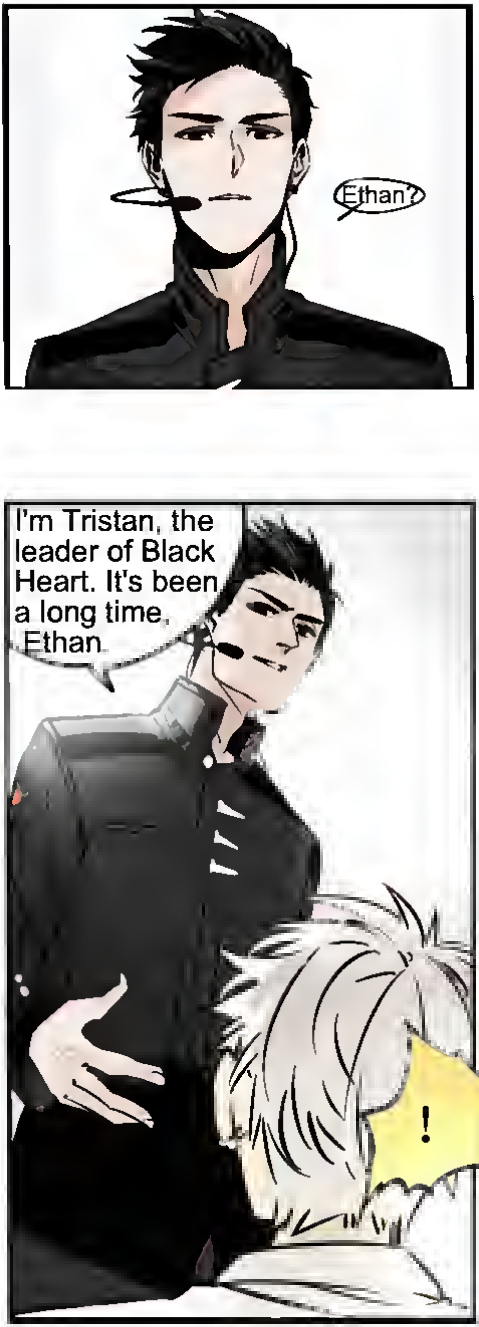
Well, well, look, who's here?
Why are you sitting at our door?
Super star!

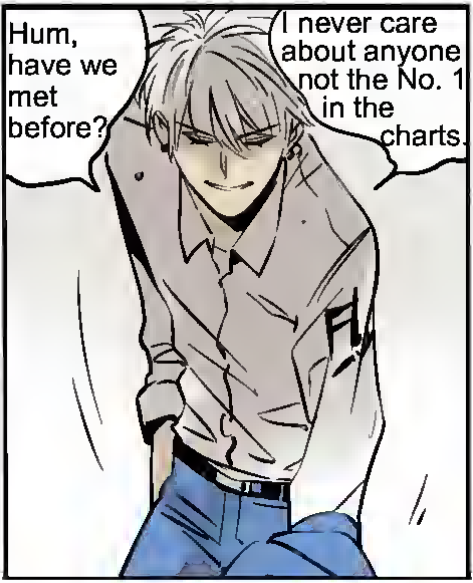


Why not come in?

Well, the air outside is better...



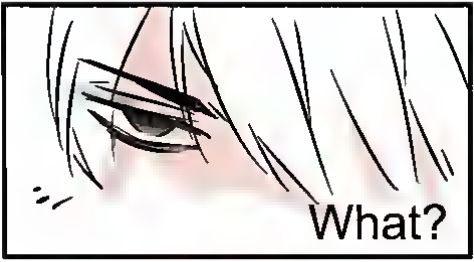
Ethan?
I'm Tristan, the leader of Black Heart. It's been a long time, Ethan.
!



Hum, have we met before?
I never care about anyone not the No. 1 in the charts.

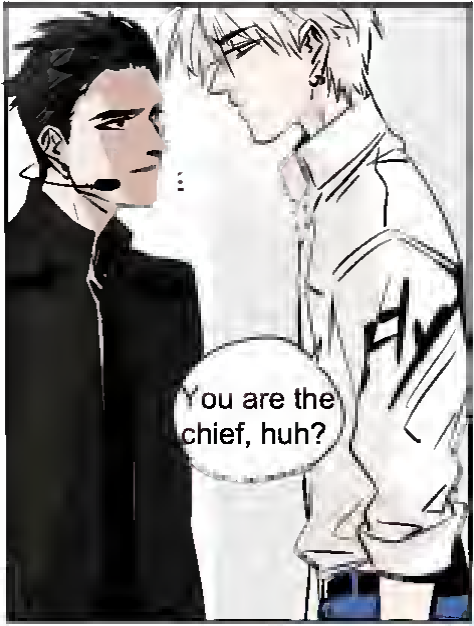
.....

It must be tiresome to be No.1.



What?

Always worried
That some day you will be pulled down.



You are the chief, huh?

You have a tall man's face, but it doesn't mean you have a tall man's height!

To be continued

Did you see Ethan?
Or Andrew?
He's so tall!
More handsome with a closer look!
No... We didn't see Mr. Dorian Lee
